 - Small group operational definitions & how they relate to the strategy
 - Share operational definitions
 - Record answer (in Google Doc)
 - Review question # 5 from the Strategy Analysis Form
 - Come to an agreement on each point
 - Edit Google Doc
- * Information Gathering
 - Create questions
 - Small-group (20 minutes)
 - Whole group (refinement) -(30 minutes)
 - Voting
 - Assign informational gathering teams

Information

- * Check wiki regularly
- * Please check out the Safety Net Curriculum Article (Additional Resources posted on the Wiki)

To Do Items

- * Assign Roles
 - Minute Taker
 - Time Tracker

HW: The following assignment is due on 2/25 (20 minutes)

- * Investigate research questions
 - What did we find out?
 - What implication(s) does this information have for writing action plans?
 - Your charge is to find and analyze existing research. You will be reporting on research already conducted, successful practices elsewhere, recommendations of national organizations and so forth. We are NOT conducting original research.
 - Please post answers to the wiki
 - Be ready to give an oral summary and answer any questions
 - Please post on the wiki any ancillary materials that accompany your answers
